Standards Announcement **Reminder**

Project 2008-12 Coordinate Interchange Standards

Ballots and Non-Binding Polls now open through November 13, 2013

[Now Available](#)

Ballots for the standards and non-binding polls of the associated Violation Risk Factors and Violation Severity Levels is now open through **8:00 p.m. Eastern on Wednesday, November 13, 2013**

The standards involved in this project are:

- **INT-004-3** - Dynamic Transfers
- **INT-006-4** - Evaluation of Interchange Transactions
- **INT-009-2** - Implementation of Interchange
- **INT-010-2** - Interchange Initiation and Modification for Reliability
- **INT-011-1** - Intra-Balancing Authority Transaction Identification

Please note that redlines to the last approved versions of the standards are not posted, as this project has consolidated nine standards into five.

Background information for this project, can be found on the [project page](#).

Instructions for Balloting

Members of the ballot pools associated with this project may log in and submit their vote for the standards by clicking [here](#).

As a reminder, this ballot is being conducted under the revised Standard Processes Manual, which requires all negative votes to have an associated comment submitted (or an indication of support of another entity's comments). Please see NERC's [announcement regarding the balloting software updates](#) and the [guidance document](#), which explains how to cast your ballot and note if you've made a comment in the online comment form or support another entity's comment.

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standards. If the comments do not show the need for significant revisions, the standards will proceed to a final ballot.
