NPCC Members and Entities of the NERC Registered Ballot Body,

The NPCC Regional Standards Committee (RSC) has reviewed the subject project and associated standards. The ballot closes at 8pm this evening on September 14<sup>th</sup>, 2015. Of those responding there seems to be an even division between those that support the standards with those who do not. NPCC will be submitting comments and they will be posted. There are a number of clarifications needed and the RSC had a number of questions. More details may be found in the posted comment form which will be there shortly.

NPCC as the Regional Entity, to respect the concerns regarding clarity which have been expressed will cast an "Abstention" ballot.

Please contact me if you have questions.

Thank you,
