Subject: NERC Ballot-2014-01 - Applicability for Dispersed Generation Resources Standards

NPCC Entities and Members of the NERC Registered Ballot Body,

The NPCC Regional Standards Committee (RSC) has reviewed and commented on the subject standard. The additional ballot and formal comment period closes at **8pm, Thursday October 16th, 2014**. The RSC has identified no significant issues so an “**Affirmative**” vote to accept the standard is recommended. Minor comments NPCC will submit to NERC will be posted at:
