**Subject:** FW: Reminder: Project 2015-07 Internal Communications Capabilities COM-001-3 | Additional Ballot and Non-binding Poll Open through May 6, 2016

RSC Members,

See below. The subject ballot is open through May 6<sup>th</sup>. I would like to put out an RSC recommendation. As discussed last week, this standard is relatively innocuous, supports reliability, and organizations should already be able to demonstrate compliance. I would like to recommend to accept the standard with an Affirmative vote. If there are any dissenting opinions or new issues that have arisen since the RSC meeting last week, please let me know ASAP.

Thanks,

Guy V. Zito

## Reminder

Project 2015-07 Internal  
Communications Capabilities | COM-001-  
3

**Additional Ballot and Non-binding Poll Open through May 6, 2016**

### [Now Available](#)

An additional ballot for **COM-001-3 Communications** and non-binding poll of the associated Violation Risk Factors and Violation Severity Levels are open through **8 p.m. Eastern, Friday, May 6, 2016**.

The standard drafting team's considerations of the responses received from the last comment period are reflected in this draft of the standard.

### **Balloting**

Members of the ballot pools associated with this project may log in and submit their vote for the standard and non-binding poll by clicking [here](#). If you experience any difficulties in using the electronic form, contact [Nasheema Santos](#).

**Note:** If a member cast a vote in the previous ballot, that vote will not carry over to this additional ballot. It is the responsibility of the registered voter in the ballot pool to cast a vote again in this ballot. To ensure a quorum is reached, if you do not want to vote affirmative or negative, cast an abstention.

*If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 8 p.m. Eastern).*

### **Next Steps**

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and determine the next steps of the project.

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact [Darrel Richardson](#) (via email) or at (609) 613-1848 or [Laura Anderson](#) (via email) or at (404) 446-9671.
