Media Conference Call NPCC's 2020 Summer Electricity Assessment

(The Assessment covers New York, New England, and Eastern Canada)

New York, NY (5/5/20) – The Northeast Power Coordinating Council, Inc. (NPCC), which coordinates the reliability of the international bulk power systems in Northeastern United States and Eastern Canada, has completed its annual reliability assessment for this summer, which brackets plausible COVID-19 impacts.

A media statement and Summary Assessment Report will be electronically available after 6:00 PM EDT, Wednesday, May 6 on request. Please email media@npcc-media.org

A media conference call will be held Thursday, May 7, by NPCC President and CEO, Edward Schwerdt and Philip Fedora, Assistant Vice President of Reliability Services, to respond to questions regarding the reliability of the bulk power system in the Northeastern United States and Eastern Canada during the 2020 summer months.

DATE & TIME: Thursday, May 7, 2020
1:00 PM to 1:30 PM EDT

FORMAT: A brief summary will be presented by Messrs. Schwerdt and Fedora, followed by an open Q&A period

MEDIA DIAL-IN NUMBER: 1 (877) 876-9174

CONFERENCE ID: NPCC

When asking questions during the conference call, media representatives are requested to identify themselves and ask only one question at a time.
