NPCC Full and General Members,

Subject: Open Process Posting of the Draft Revised NPCC Regional Standard Processes Manual (RSPM)

A 45-day comment period for the draft revision to the *NPCC Regional Standard Processes Manual (RSPM)* is now open through October 26, 2019.

Included in the posting are:

- Clean version of the RSPM with proposed revisions
- Redline version (to prior posting) of the RSPM with proposed revisions
- Consideration of Comments from prior posting

Key changes in the currently proposed revision include:

- Miscellaneous language changes to clarify the intent.
- Removed outdated languages from the RSPM.
- Made appropriate modifications to Section 8 Process for Correcting ERRATA to better align the RSPM to the NERC Standards Process Manual.

The Open Process Review may be accessed through the following link:

<https://www.npcc.org/Standards/SitePages/DevStandardDetail.aspx?DevDocumentId=115>

Comments will be received for forty-five days through October 26, 2019 and all comments will be addressed by the NPCC Regional Standards Committee (RSC).

Please contact me with any questions regarding the NPCC Open Process review or the content of this document.

Thank you.
