Subject: FW: Project 2014-01 Standards Applicability for Dispersed Generation Resources | Initial Ballots Now Open through December 22, 2014

NPCC Members and Entities of the NERC Registered Ballot Body,

The subject Initial Ballot closes at 8pm this evening, December 22, 2014. The NPCC Regional Standards Committee has not identified any serious issues precluding support of the subject ballot and will be submitting some comments. NPCC as the regional entity will be voting "Affirmative" on all three of the posted standards.

Please contact me if you have any questions and I wish you all a Happy Holiday Season.

Best Regards,

Guy V. Zito

Standards Announcement

Reminder

Project 2014-01 Standards
Applicability for Dispersed
Generation Resources
PRC-001-1.1(X), PRC-019-2, and
PRC-024-1(X)

Initial Ballots Now Open through December 22, 2014

[Now Available](#)

Initial ballots for three Project 2014-01 Standards Applicability for Dispersed Generation Resources medium-priority Reliability Standards as identified in the draft White Paper prepared by the Project 2014-01 drafting team are open through **8 p.m. Eastern on Monday, December 22, 2014.**

Instructions for Balloting

Members of the ballot pools associated with this project may log in and submit their votes for the standards by clicking [here](#).

Next Steps

The ballot results will be announced and posted on the project page. The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standards and post them for an additional ballot. If the comments do not show the need for significant revisions, the standards will proceed to a final ballot.

For more information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).

For more information or assistance, please contact [Katherine Street](#), Standards Developer, or via telephone at 404-446-9702.
