NPCC Members and Entities of the NERC Registered Ballot Body,

The subject standard is posted for a “Final” ballot through 8pm February 8<sup>th</sup>, 2016. As you know there were a number of issues that precluded NPCC RSC from casting affirmative votes. These issues were corrected by the SDT and viewed as non-substantive by NERC so the initial approval of the standard will continue to final ballot with the corrections made. Items corrected were as follows:

Replace “Planning Authority” with “Planning Coordinator”  
Add in missing columns to the FAC-003-4 Table 2 which shows MCVD  
Correct rounding errors in the table where necessary

These issues were precluding support so now that corrections have been done NPCC supports the standard and recommends an “**Affirmative**” vote.

If you have any questions please contact me.

Thanks,
