NPCC Members and Entities of the NERC Registered Ballot Body,

The subject standards and materials are posted for an “additional” ballot through 8pm October 14, 2016. The Regional Standards Committee has reviewed the project and has reached a consensus on a ballot position to vote to accept the standard and a positive position on the non-binding poll for both posted standards.

NPCC, as the Regional Entity, will be voting Affirmative and Positive on the standards and non-binding polls respectively.

If you have any questions, please contact me.

Thanks,
