NPCC Members and Entities of the NERC Registered Ballot Body.

The following standards are on the list for ballots with closing dates as indicated.

<a href="#">2017-07 Standards Alignment with Registration</a>	<a href="#">Initial Ballots and Non-Binding Polls</a>	12/12/2019
<a href="#">2016-02 Modifications to CIP Standards</a>   CIP-002-6 (Draft 4)	<a href="#">Additional Ballot and Non-binding Poll</a>	12/16/2019
<a href="#">Technical Rationale for Reliability Standards</a>	<a href="#">Non-Binding Polls</a>	12/18/2019

At the NPCC Regional Standards Committee (RSC) December meeting held last week, we reviewed the above, including the positive ballot recommendation from TFIST for Project 2016-02. No concerns were expressed precluding support for the above. NPCC as the Regional Entity will be casting Affirmative ballots and positive opinions for the non-binding polls.
