NPCC Members and Entities of the NERC Registered Ballot Body:

Currently, there is a 30-day comment period open through 8 p.m. EST, Thursday, September 1, 2022, for Project 2021-07 Extreme Cold Weather Grid Operations, Preparedness, and Coordination. The project proposes additional revisions to the following draft standard and has an associated Implementation Plan.

-EOP-012-1 – Extreme Cold Weather Preparedness and Operations.

The NPCC Regional Standards Committee (RSC) has facilitated multiple outreach sessions on behalf of the drafting team.

In recognition of RSC concerns, NPCC as the Regional Entity will be casting an '**Abstention**' on the posted materials.

Thank you.
