To All,

As noted in the below email, the NERC Reliability Issues Steering Committee "RISC" is collecting any outstanding reliability risks on the nomination form assessable from the link below. Please forward any reliability issues for the RISC's consideration by filling in the nomination form prior to January 8<sup>th</sup>. Please CC me if you send it directly to NERC or the NPCC RSC can submit the form on your behalf for anonymity purposes.

Thanks,

## Nomination Deadline

### Reliability Issues Nomination Form

December 27, 2012

The Reliability Issues Steering Committee (RISC) is accepting nominations for consideration at its January 24, 2013 meeting. Please submit any nominations for this meeting on or before January 9, 2013. Any nominations received after this date will be considered at a subsequent meeting.

NERC bases its operations on four pillars: Reliability, Assurance, Learning, and Risk-based Approach. In support of making risk-informed decisions and enabling prioritization of issues, please use this form to submit potential issues (with as much supporting information as you can provide) for consideration by the RISC. Supported by NERC staff, the RISC will work with the industry to help develop overall ERO strategy by identifying and prioritizing the most important reliability issues facing our industry and properly aligning resources to address them. By providing this information, you are helping to ensure the ERO is focusing on the correct priorities as it moves forward.
